Financial & Student Policies

For your convenience in meeting your financial obligations, tuition is divided into twelve installments. The first payment is due on July 1; remaining payments are due on the first of each month through June 1. Payments not received by the tenth of the month are subject to a late charge. The account balance must be current in order for report cards to be issued at the end of the school year.

"I hereby pledge to pay my financial obligations to the school on the date due and understand that it may be necessary to withdraw my child if proper arrangements are not made on a past-due account."

"I give permission for my child to take part in all school activities, including sports and school-sponsored trips away from the school premises, and absolve the school from liability to me or my child because of any injury to my child at school or during any school activity."

"I appreciate the standards of the school and do not tolerate dishonor to the Godhead and the Word of God, or disrespect to the personnel of the school. I hereby agree to support all regulations of the school in the applicant's behalf and authorize this school to employ discipline as it deems wise and expedient for the training of my child."

"I understand that the school reserves the right to dismiss any child who fails to comply with the established regulations and discipline or whose financial obligation remains unpaid."
