Tuition payments are spread over a **12-month period**. The first payment for school year 2012-2013 is due July 1, 2012, with the final payment due June 1, 2013. Using the chart above, a family with one 6th grader would pay \$438.00 per month. The due date is the 1st of each month. A 10-day grace period applies before a \$25.00 late fee is charged for each month the payment is past due. Before summer, each family will receive a tuition payment booklet that will specify your particular amounts and can help you keep track of monthly payments.

TUITION ASSISTANCE

We strongly encourage families to consider this option. Visit our website and click on information under the admissions tab.

DELINQUENT ACCOUNTS

Students whose tuition account is two months past due on the 15th school day of the month will not be allowed to attend classes until the account is current or a payment plan is approved by the administration. Balances must be paid in full by June 30, 2012, in order for re-enrollment to remain in effect for 2012-2013. Students with an outstanding tuition balance at another school will not be permitted to enroll at Grace Academy.

SAMPLE CALCULATION

For families with more than one child enrolling, be sure to use the correct multiple-child tuition rate from the chart above for the grades in which they are enrolling. For example, the yearly tuition rate for a family of three with children in grades 10th, 6th, and K4(3-day), would be calculated as \$5256 + \$4800 + \$3672 = \$13,728. The monthly payment in this case would be \$1144.00. In addition, the technology fee would be calculated as \$150 + \$150 = \$300.

The mission of Grace Academy is to provide an environment of academic excellence that will produce an educated citizen with a Biblical world and life view and a desire to represent the Lord Jesus Christ in all walks of life.
