

Dear Parents,

Grace Academy would like to organize and offer a parents' directory to all of our families. This would include your name, address, phone number(s), and email(s). We would like to have full participation, but we must have confirmation from you of what information to include. If you are interested in having your family included, please fill out the bottom form below and send it to school with your student. It is very important if you are not interested in taking part this year that you check the line below and send it to school.

If you have a professional service you would like Grace families to know about, and you would like to place an ad in our directory, fill out both forms and return to the school. We will be in contact with you to discuss costs and ad specifications.

This information will be used solely for the Parents' Directory and will not be made available to any third-party inquirer.

Please return to Grace by April 9, 2010.
